Friends

We are a few days into October, but I wanted to get the Agri SA Congress behind us before releasing the next newsletter.

The congress was insightful and inspirational. Congratulations to all members who have been chosen in position for our organization. President: Pierre Verkuil, Vice Presidents: Jaco Minnaar and Phenias Gumede. Our members on the board of directors: Douglas Stern (Eastern Cape), Nicol Jansen (Northern Cape) and Piet Engelbrecht (Limpopo). Willem de Chavonnes Vrugt is our chairman for the General Affairs chamber.

Christo van Rheede is our new CEO at AgriSA and Omri van Zyl the new CEO of AgriSA Enterprise. We will give more information at a later stage.

You took note of the preliminary law of expropriation without compensation, which was published. We will respond in due time.

Senekal – thanks to Tommie Esterhuysen who is the chairman of our Centre of Excellence Rural Safety at AgriSA for his response. Thank you to Christo and Pierre for direct and a balanced response.

Regards

Dr Willem Pretorius
President
